Instructions:

The table below lists job groups that have identified outreach targets, based on underrepresentation of women, minorities (including specific race and ethnicity), or individuals with disabilities and veterans.

- 1. Look up your Org Unit below.
- 2. Look up type of the position for this recruitment (job group).
- 3. Select Outreach Goal areas for that position in AP-RECRUIT, based on what is listed in this table. Shaded boxes indicate groups for outreach.
- 4. Include **appropriate outreach and positive recruitment activities** designed to target listed outreach areas in your recruitment plan.

Click + Add) icon next to the Affirmative action goals section and select outreach target identified for your search. If a type of position (job group) is NOT listed under your Org Unit in the table below, then select "None" for your Outreach Goals (Affirmative Action Goals).

Example: for an Associate Professor recruitment, the Bourns College of Engineering would select "Women", "Hispanic", "Individual with Disabilities" and "Veteran" categories.

If you are unsure what Job Group your recruitment position would fall under, please refer to the Job Code Grouping reference table below (p. 5-11 of this document).

For more information on Equal Opportunity and Affirmative Action please visit our website Office of Civil Rights.

If you have questions, please contact the Office: Olga Snopok at olga.snopok@ucr.edu or 951-827-7431.

UPDATE 10/14/2024:

This is an updated version of the document, updated on 10/14/2024. The updates include:

- 1) The expanded list of titles for the School of Medicine (page 11);
- 2) An additional goal for Women for job group 271 RESIDENT PHYSICIANS for the School of Medicine is added. Due to administrative error it was missing from the previous version (page 4).
