If someone raises an ethics issue

Do This	Not That
Thank them for raising it	Don't question their motives or timing
Keep their concern confidential	Don't share with the person who may have engaged in unethical conduct
Only share it on a need-to-know basis	Don't promise them anonymity or that you won't tell anyone
Let Compliance know	Don't conduct your own investigation

Report via UC hotline 800-403-4744
